

## Conditional Shareholders Contribution

The undersigned, Virtway Invest AB (hereinafter referred to as "Virtway"), owner of 90 % of the shares in the Spanish commercial entity Ingenieria Digital Oviedo S.A, number of registration B-33599580, with its registered office in Oviedo, Spain, represented by Don José Antonio Tejedor Garcia, ID 9.423.342-N, (hereinafter referred to as "Indigo"), hereby gives a conditional shareholders contribution in the total amount of EUR 7 038 134 to Indigo. Thus, Indigo's current debt to Virtway is reduced by the contribution amount and thereby cancelled. Unless and until either Party gives notice to the other party to terminate this Agreement, the agreement shall apply equally to monetary contributions from Virtway to Indigo which are executed after the date of this Agreement.

Virtway Invest AB shall have the right to repayment of the contribution on the following conditions: The repayment must not be contrary to applicable law. Repayment shall be made as soon as the finances of Indigo so permit, and prior to any profit dividend or other value transfer from Indigo is made to the shareholders.

In case of a sale of a majority of the shares in Indigo to a third party, full repayment of the contribution shall be made from the net purchase price (after transaction costs). Thereafter, the remaining part of the purchase price shall be divided between the shareholders in proportion to their ownership of the shares in Indigo. The same shall apply in case of liquidation, bankruptcy, winding up or other arrangement whereby the value of Indigo as a company or of its assets is distributed to the shareholders.

Inversiones Ingeniería Digital SL and Don José Antonio Tejedor Garcia hereby confirm that Indigo currently does not have any debt to any of them or to any person or entity related to or befriended with them, except debts for unpaid salaries.

The condition of repayment is not set forth in relation to Indigo, but only towards the shareholders of Indigo. This obligation is irrevocable and shall be subject to Swedish law.
